GET CONNECTED TO WCF- PAID INTERNS

with WORKFORCE CENTRAL FLORIDA'S
Re-Employment Connection

You write the job descriptions. We make the connections!
We make the payroll! We encourage you to apply! By
participating in the program, you'll be paired up with WCF
Interns (22 years of age and older) at NO COST TO YOU!

Prerequisites:

- Non profit or government agency
- For-profit employers with job opportunities in healthcare, green or emerging jobs, science, technology, engineering or math jobs.
- Central Florida employers must be located in Orange, Osceola, Seminole, Lake or Sumter counties

It's a win, win situation—WCF will make the employee/
employer connections and even write the payroll checks.
Each of the 700 WCF-Paid Interns selected will make
\$10/hour, working up to 40 hours a week for 12 weeks.
That means they could earn up to \$4,800 during this
program at NO COST TO YOU. Plus, this income will
help stimulate Central Florida's economy.

Together, we can make connections that work—see
important dates below.
